Purpose

To prescribe the responsibilities of *Train Crews* and *track vehicle crews* in the *Australian Rail Track Corporation (ARTC) NSW Network*.

Responsibilities

The primary responsibility of Train Crews and track vehicle crews is to operate *trains* and *track vehicles* for safe and efficient *transit* of *rail traffic* through the ARTC Network.

Rail Traffic Crews (Train Crews and track vehicle crews)

Train Crews and track vehicle crews *must*:

- be responsible for the safe operation of rail traffic and the safety of other crew and passengers, and
- tell a *Network Control Officer* about breaches of *ARTC Network Rules* and *Network Procedures*, and
- promptly report delays to the Network Control Officer.

Rail Traffic Crews (Drivers and track vehicle operators)

Rail Traffic Crews must make sure that trains and track vehicles can be operated safely before they enter, and during *travel* in, the ARTC Network.

Rail Traffic Crews must:

- be qualified to operate the rail traffic they drive in the ARTC Network, and
- as necessary, be qualified in the *systems of Safeworking* relevant to their area of operation, and
- cooperate with Network Control Officers, *Pilots*, or other *authorised* persons, in the performance of their duties, and
- delegate duties only to *Qualified Workers*.

Change of Rail Traffic Crew

Rail Traffic Crews must tell a relieving crew about any conditions that could affect the operation of the rail traffic.
