

Starting from 7:00pm Wednesday, 9 February

Sandy Creek Road, Muswellbrook

Australian Rail Track Corporation (ARTC) will be carrying out maintenance work on a level crossing in your area. This maintenance work is essential for ensuring track safety and reliability.

For safety reasons, we will need to **temporarily close** the level crossing on Sandy Creek Road. All road users will not be able to use **this level crossing from 7:00pm Wednesday 9 February to 6:00am Thursday 10 February**. Traffic control and signage will guide all road users travelling both ways along Sandy Creek Road, Wells Gully Road and New England Highway. All drivers will not be able to turn onto Sandy Creek Rd from New England Highway. Please refer to the map on the other side of this notification.

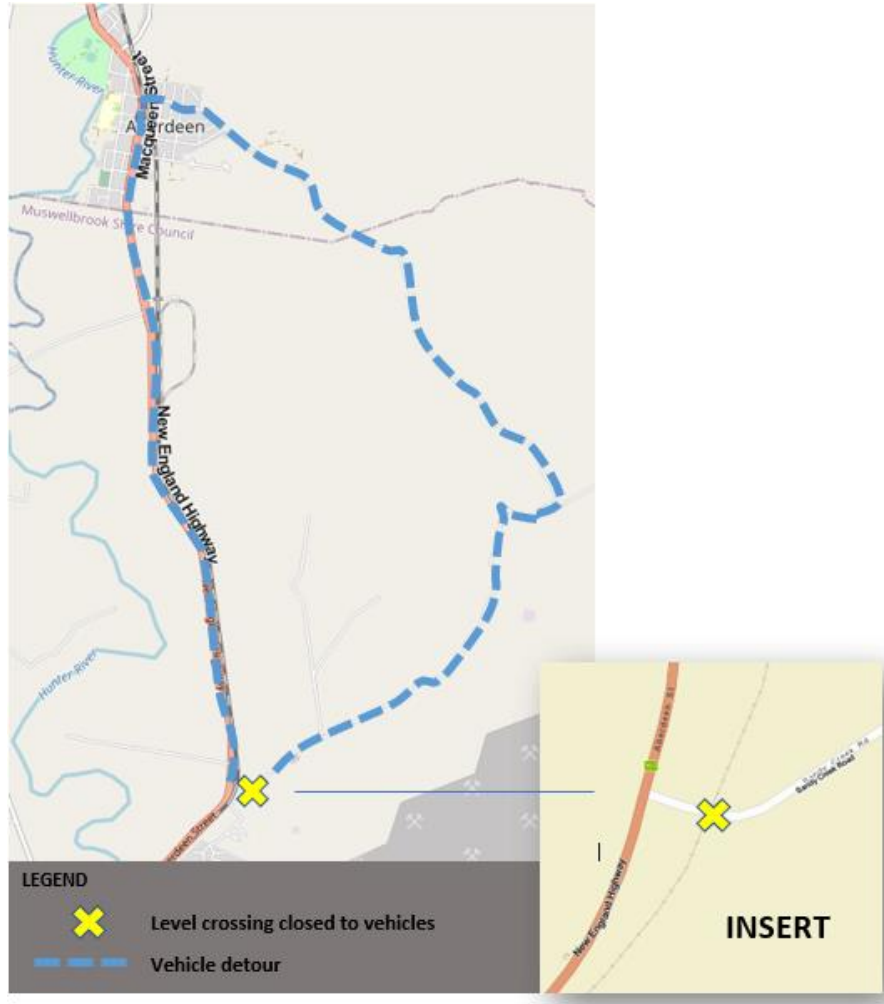

The information provided is correct at the time of publishing but is subject to change due to unplanned or unexpected events such as operational changes or heavy rain.

Our response to COVID-19

Rail is an essential service which facilitates the movement of freight across the country for the benefit of the Australian economy and jobs. This is a responsibility ARTC takes very seriously, and we are working hard to ensure we balance the challenge of ensuring the safety and reliability of a critical transport network, alongside our obligations to meet and respond to the current public health challenges associated with Covid-19. We are committed to adhering to the NSW Government guidelines and where practicable will implement additional control measures.

For the latest information on our planned work please scan the QR code (over page) with your smartphone or QR code reader and scroll down to Track Work.
