Publication Requirement

External Only

Document Status

Issue/Revision #	Effective from
2.0	11 October 2015

Purpose

To prescribe the rules for using *SAFE Notices* in the *Australian Rail Track Corporation (ARTC) NSW Network*.

Principle

SAFE Notices give immediate notice of changes or exceptions to ARTC Network information publications.

Permanent changes *must* be confirmed by publication and *issue* of replacement pages for affected publications.

A SAFE Notice remains in force for 180 days unless:

- a shorter period is specified in the SAFE Notice, or
- a new SAFE Notice is issued to extend its currency, or
- affected pages in publications are republished and issued.

Authorisation

Only the designated ARTC Representative *may authorise* a SAFE Notice.

Issuing SAFE Notices

SAFE Notices must be issued only by:

- the designated ARTC Representative, or
- a *Train Controller*, on the authority of the designated ARTC Representative.

The issuer must keep the original of a SAFE Notice until its expiry date.

SAFE Notices must be issued to affected *Operators* and *Qualified Workers*.

Receiving SAFE Notices

Operators and Qualified Workers who receive a SAFE Notice must follow the requirements in the SAFE Notice.

Operators must keep the SAFE Notice until its expiry date.
