

Rail Possession Information Bundanoon to Moss Vale:

A possession is scheduled for the weekend of the 30th, 31st of August and 1st September. The work area will stretch from Bundanoon to Moss Vale along the rail corridor.

Traffic management will be in place during the weekend and in the weeks leading up to the shut down for necessary pre works. The pre works are scheduled for the following time frames;

Monday 19th August – Friday 23rd August working hours 07:00 – 17:30

Monday 26th August – Thursday 29th August working hours 07:00 – 17:30

You will notice some increased truck movements on local roads and the presence of traffic controllers to assist with vehicle movements and access from the rail corridor. It is our intention to minimise the impact on the local community and motorists as much as possible during these necessary works.

During this time, Bundanoon pedestrian crossing at Bundanoon Station will be closed. This will need to be closed from midnight Friday 30th August to 18:00 on Sunday 1st September for the possession weekend as sections of the track in this area need to be re-railed.

There will be a mini bus available to ferry local residents from one side of Bundanoon Station to the other while the crossing is affected.
