# SAFETY ALERT

**ARTC No. 48**

**Issued 21/06/2011**

## **Notification to Stakeholders of Changes to ARTC NSW Network Rules and Procedures**

### **ARTC Network Safeworking Form ANRF 000**

This Safety Alert is issued to advise affected Stakeholders (Rail Safety Workers) of ARTC's intention to issue amendments to the ARTC NSW Network Rules and Procedures (Safeworking Forms).

Effective from 0001 hours on Sunday 17 July 2011, ARTC will implement amendments to the Network Rules and Procedures as detailed in this Safe Notice.

Network Safeworking Form ANRF 000 Local Possession Authority issue 1 revision 0 will be amended and re-issued as ANRF 000 General Information about Network Forms issue 1 revision 0.

#### **Amendments to ANRF 000**

- title name change to General Information about Network Forms, and
- the inclusion of abbreviation TAA (Train Alteration Advice), and
- the removal of terminology no longer applicable on the ARTC Network, NAR (No Authority Required), NIN (Network Incident Notice).

The amended ANRF 000 General Information about Network Forms is available on the ARTC web site under Safeworking Forms located at <http://www.artc.com.au/Content.aspx?p=93>

For all enquiries regarding this change contact the National Rules Manager at [gwatson@artc.com.au](mailto:gwatson@artc.com.au).
